The America250 Mississippi Foundation invites you to partner with us as a sponsor of United in Song: An America250 Mississippi Celebration — a powerful musical tribute giving nod to America's 250th birthday — on June 20, 2026, in Jackson at the Coliseum.

United in Song will be a historic event for the state, bringing together choirs and musicians from across Mississippi for a shared performance that reflects the diverse voices, cultures, and traditions that define our state. Designed as a free and accessible experience for Mississippians and visitors, the event uses music as a unifying force—honoring our shared history while looking ahead to the future of our communities.

This event is being presented through a collaborative effort of nonprofit, cultural, and civic partners committed to education, heritage, and community engagement. By centering performers and musicians from across the state, United in Song highlights Mississippi's deep musical roots while reinforcing the values of unity, inclusion, and civic pride that sit at the heart of the America250 initiative. We are also actively working on a host of special guests and creative storytelling elements.

Sponsorship support will play a critical role in making this event possible, helping cover production needs, participant support, and public access while ensuring that United in Song remains free for audiences statewide. Sponsors will be recognized as champions of Mississippi's cultural legacy and partners in a meaningful statewide moment tied to a historic national milestone.

We have put together a sponsorship guide but welcome the opportunity to discuss sponsorship opportunities and how your organization can be meaningfully involved in United in Song. Thank you for considering support of this important celebration for Mississippi and for our nation.

With appreciation,

Charlotte A. Seals
